CLUB MEETS

If the temperature forecast by the Australian Bureau of Meteorology for Flagstaff Hill at 6pm (www.bom.gov.au/places/sa/flagstaff-hill/), as published at 4:10pm, two days prior to the competition;

- i. Is between 37°C and 40°C, then the meet will be conducted as a Hot Weather program and commence at 7pm.
- ii. Is 41°C or above the meet will be cancelled

*please note you will need to click on the date of the meet to see the 6pm forecast.

**We will send out notifications via social media and TeamApp by 7pm on the Wednesday before a Club Meet.

The Southern Hills Committee reserves the right to cancel or shorten any Club Meet at its absolute discretion if it is deemed that the environmental conditions present a serious health risk to athletes and officials, even if temperatures fall within the acceptable levels.
